

AXIS R

LED Recessed Type
Inground Lighting Fixture

Basic Options

Light Source Color	4000K
Control Interface	On / Off
CE Mark	Yes
ENEC Standards	Yes
Warranty Period	5 years
L 70	> 60 000 Hours
MacAdams	3 Step MacAdams
Ambient Temperature	-25°C to +60°C
CRI	>80

Optics

Light Distribution	36°
Light Source	GU10 LED BULB

Connection

Connection Cable	2 pins Circular Type
------------------	----------------------

Electrical Options

Power	GU10 BULB
Input Voltage	220V AC

Customized Options

Power	3 - 12W
Led Qty	1
CRI	>90
Light Color	3000K, 6500K
Control	Customizable

Body Options

Body	Aluminium
Frame	Stainless Steel
Glass	Tempered Glass
Gasket	Silicone
Protection Rating	IP67
Impact Resistance	IK10
Frame Color	Polished Stainless Steel
Dimensions	800Frame x H. 920xW:600(Body)
Screws	316 Stainless Steel

Ordering Details

Product Code	Input	Power	Light Color	Control
AXIS-GU.N.D.4.XX	220V AC	N*	4000K	on / off

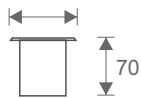

Up to any GU10 Bulb power can be optional.

Product Coding

Product Name	Product Power	Product Size	Control System	Color Temperature	Light Beam
